# END NOTES

## From the Directors:

**State Street Junior Players** was formed to provide an outlet for the overwhelming amount of young talent in Pike County and the surrounding area. We operate as an extension of the Pike County Arts Council. As you can see, the talent in this young cast is exceptional. It was been a priviledge to work with these amazing young people. The Arts in Pike County is Bloosoming and we are excited to be a part of it! Please continue to support SSJP and other performing arts groups in the area.

Shane Adams  
Katie Quin  
Debbie Watkins

NONE of what we do would be possible without the support of the Pike County Arts Council and the financial support of generous sponsors, parents and community members. If you would like to make a tax deductible contribution to SSJP, there is a donation box in the lobby. Please make checks payable to Pike County Arts Council (PCAC) with a memo of SSJP! This production is sponsored in part by:
